Sisters is a small town and we like to support our neighbors. When you dine with us, you support many local businesses. We serve many beers crafted within 20 miles of this building. Try one of our specialty cocktails that are made with fruit-infused liquors from Cascade St. Distillery. Our burger patties are seasoned and made in-house from locally-raised beef and our merchandise is made by Momentum Promo, right here in Sisters.

This building was originally the historic Hotel Sisters, built in 1912 by John Dennis, a veteran of the Spanish American War. During its history, the Hotel Sisters has functioned as a place of lodging, a drug store, antique shop, meeting center and a restaurant. It remains one of the most photographed buildings in Central Oregon. Feel free to go upstairs to see the 112-year-old hotel rooms that now serve as dining rooms, a banquet room and a game room.
